

SURPRISING SECRETS OF SALMON AND STEELHEAD

Wednesday, December 12, 2012

6:30 - 7:30 PM

www.miseagrant.umich.edu/news/sw

Join Dr. Dan O'Keefe for a fun and informative talk on salmon and steelhead in Michigan rivers. Underwater video of salmon in the Pere Marquette River system and other area rivers will be featured.

This is a free program with limited seating.
